## Skills

**NATIVE LANGUAGE** Italian

**OTHER LANGUAGES** English (Grade C)

**DATE** 4 - 11 April 2017

**EXPERIENCE** **Intercultural Exchange:** Italy (Catania) - Serbia (Belgrade)

**SOCIAL SKILLS** Excellent communication skills. Discrete explanatory skills, capable of communicating in a simple way with colleagues even in complex situations. Able to work under pressure, willing to work in a team environment

**COMPUTER SKILLS** Excellent skills in the use of most of the commercial OSES (Windows, UNIX and Linux distributions, macOS, iOS, Android), willing to help those who are not very familiar to the computer world. Mainly as a hobby, recently even professionally, I created several websites, as well as several Android-based ROM builds. Acquired basic and advanced skills in C and C-based, Fortran, HTML, Javascript, CSS, Swift, Objective-C, Java. Experienced in the repair and assembly of PC, with various architectures (ARM, x86, x64), sockets (775, P, 1150, LGA1151, AM4) and motherboard standards (ATX, micro-ATX, mini-ATX) for several years now. Recently developed skills in the use of Network Real-time, VNC, CS-FSTD, ARINC, FCL and Cisco switches

**OTHER SKILLS** Able to weld, use multimeters and power supplies, drive and lift high loads
